

ATHERA AI SUMMIT

Chief Guest Agenda

Full Day Schedule

Time	Duration	Segment
8:00 – 8:30 AM	30 min	Inauguration
8:30 – 8:45 AM	15 min	Chief Guest arrival (attendees assemble at venues)
8:45 – 9:00 AM	15 min	Seating / settle buffer
9:00 – 9:45 AM	45 min	Chief Guest addressing
9:45 AM – 1:05 PM	3h 15m	AI Summit — Panel Discussion Block (5 topics × 40 min)
1:05 – 1:20 PM	15 min	Prep for closing
1:20 – 2:05 PM	45 min	Closing / Valedictory

Note: At 40 min per topic × 5 topics, the panel block runs 9:45 AM – 1:00 PM. Closing has been shifted accordingly to keep the day intact.

Panel Block Timestamps

Time	Topic
9:45 – 10:25 AM	Topic 1 — State of AI: From Research Labs to Real-World Deployment
10:25 – 11:05 AM	Topic 2 — Building AI Products for the Indian Market
11:05 – 11:45 AM	Topic 3 — Applied AI in Industry: A Case Study
11:45 AM – 12:25 PM	Topic 4 — From Idea to Startup: Funding, GTM, Scaling
12:25 – 1:05 PM	Topic 5 — The Future of AI: Responsible Building & What Comes Next

Topic Details

1. State of AI: From Research Labs to Real-World Deployment

Current model landscape, what's hype vs. production-ready, where the frontier actually is. Good opening topic to set shared context for the audience.

2. Building AI Products for the Indian Market: What Works, What Doesn't

Localization challenges, cost-of-inference constraints, Tier 2/3 user behavior, pricing for the Indian market — practical for students building their own products.

3. Applied AI in Industry: A Case Study from [Embedded/Vision/Enterprise]

Deep technical dive into one real deployed system (model choices, constraints, failure modes) — showing AI beyond chatbots (e.g., computer vision, edge AI).

4. From Idea to Startup: Funding, GTM, and Scaling an AI Venture in India

VC/angel landscape for AI startups in India, go-to-market lessons, hiring for AI teams, what investors actually look for right now.

5. The Future of AI: Responsible Building & What Comes Next

Ethics/responsible AI, agentic systems, what founders and engineers alike should be watching for in the next 1–2 years. Leaves the audience with a forward-looking note.

Per-Topic Internal Split

40 min = 30 min discussion + 10 min Q&A. Repeats identically for all 5 topics.

Segment	Duration	What Happens
Moderator opens topic	2 min	Brief framing of why this topic matters
CG 1 turn	~5–6 min	“[CG1 Name] sir/mam, what are your thoughts on [topic]?”
CG 2 turn	~5–6 min	“[CG2 Name] sir/mam, what's your take?”
CG 3 turn	~5–6 min	“[CG3 Name] sir/mam, what are your thoughts on this?”
CG 4 turn	~5–6 min	“[CG4 Name] sir/mam, what would you add?”
CG 5 turn	~5–6 min	“[CG5 Name] sir/mam, what are your thoughts on this?”
Moderator synthesis	~2 min	Quick wrap-up connecting the 5 viewpoints
Audience Q&A	10 min	Moderator picks 2–3 questions, directs to relevant chief guest

Total: 30 min discussion + 10 min Q&A = 40 min
