Witness: Divya Shankar, Age 34, Relationship Manager, Indian Overseas Bank, T. Nagar Branch

Recorded on: 20 March 2024 | Investigating Officer: Sub-Inspector R. Vignesh

Statement

I am employed as Relationship Manager at Indian Overseas Bank, T. Nagar Branch, since 2018. I handled the opening of the joint current account bearing number ending 4471 in the names of Mr. Rajesh Kumar Iyer and Mr. Suresh Babu Menon.

As per our bank records, the account was opened on 3 January 2024. The mandate on file specifies 'Either or Survivor' operation, meaning either signatory could operate the account independently, including withdrawals of any amount, without requiring the co-signature of the other party.

I confirm that a withdrawal of Rs. 3,40,000 was made on 22 January 2024 via a cheque signed solely by Mr. Suresh Babu Menon. I state clearly that no joint signature was required or obtained for this transaction, as the account mandate did not mandate dual authorisation at any amount.

I further confirm from our records that no deposit of Rs. 12,50,000, or any amount close to it, was ever credited to this account by Mr. Menon between January and March 2024. The only credit entries in this period were the initial Rs. 50,000 deposit on 3 January 2024 and a subsequent Rs. 15,000 deposit on 10 February 2024, source unspecified in our records.
